Not only is the world still reeling from **Angelina Jolie's** announcement that she had a series of operations, beginning Feb. 2, that resulted in a double mastectomy and breast implants, but many of those closest to her, including her own father, **Jon Voight**, and **Brad Pitt's** parents, were kept in the dark. A member of her inner circle tells *OK!* exclusively: "She didn't even tell us, her closest friends or even any relatives, until she was healthy and out of the woods. Until it was all said and done. We just found out before she wrote the article in *The New York Times*. This was done to help her maintain her privacy and to protect the children from hearing any rumors."

Another insider explains: "They didn't want the kids to be upset over any misinformation. Angelina is a big believer in not cushioning or hiding things from the kids, but when it came to something this serious, she didn't want them upset by hearing it from anyone other than her or Brad."

Now *OK!* has learned Angelina will be even more open about it — she's putting together a behind-the-scenes documentary detailing her ordeal.

WE'RE STILL ENGAGED!

The engagement ring is back on **Miley Cyrus'** finger — a sure sign that she and **Liam Hemsworth** remain engaged, a friend of the couple tells **OK!**

After photos of the singer sans ring prompted talk that she and Liam had split, Miley Tweeted a shot of herself wearing the 3.5 carat rock on May 15 — and wore it to a party the next day.

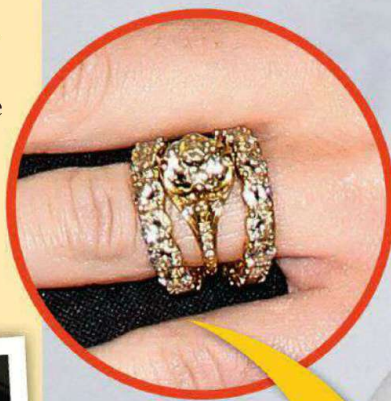

The couple did have issues recently, says the friend: Liam, 23, needed his space. But “Miley knows Liam like no one else and loves him so she stood firm,” says the pal. Miley, 20, “played it cool, not returning his calls right away, being casual about the relationship.”

Then, “last week, Liam asked why she kept taking her ring off. She down-played it, but on the inside she was bursting with happiness!” says the pal.

Though the lovebirds won't walk down the aisle before next year, according to the friend, “The wedding's on!”

BREAKING NEWS

BE THE FIRST TO KNOW THE HOTTEST HAPPENINGS

BEYONCÉ: JUST TIRED

THE SINGER BLAMES EXHAUSTION, NOT PREGNANCY, FOR CANCELING A SHOW

Beyoncé brushed aside talk of another pregnancy — sparked when she was forced to cancel a performance in Belgium on doctor's orders — by returning to the stage the next night and continuing a concert tour that runs through August.

The singer apologized to fans who had tickets for the first of two shows at the Sportpaleis in Antwerp on May 14, saying doctors advised her to postpone it due to “dehydration and exhaustion.”

“To my dearest fans in Antwerp, I’ve never postponed a show in my life,” Beyoncé said in a handwritten note posted on her web site that day. “It was very hard for me. I promise I will make it up very soon. I’m sorry if I disappointed you.”

The good news, she added, was that “I’m feeling much better now.”

The pregnancy rumors had actually started a week before, when Beyoncé wore a Givenchy gown that concealed her stomach at the Met Gala in New York. The dress was cinched high above her waist with a belt.

Beyoncé, 31, began the tour last month in Belgrade, Serbia.

A NOTE TO FANS

“Thank you for your concern,” Beyoncé told worried followers after canceling a show due to exhaustion.

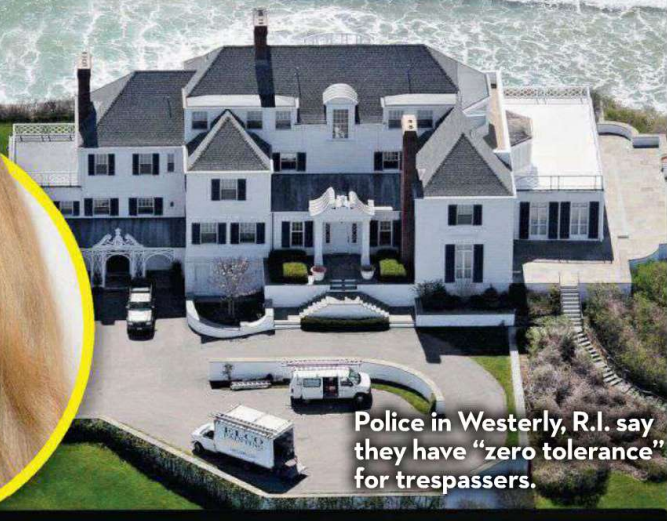

“Took me 10 years, but it feels great,” America posted on Twitter.

AT LAST! AMERICA GETS HER B.A. DEGREE

It took a decade, but **America Ferrera** finally got her college degree, receiving a B.A. in international relations on May 17 from the University of Southern California. She had a good excuse for the delay; shortly after enrolling at USC, she was offered the title role on the ABC show *Ugly Betty*. She was torn between her studies and acting until a professor advised her that, in time, she could do both. “I realized I didn’t have to give up what I love,” America said.

COPS NAB TAYLOR FAN

Police arrested a 22-year-old man after he attempted to swim to **Taylor Swift's** new \$17 million Rhode Island beach mansion for a late night visit. Cops say the man, identified only as a Taylor fan from the Chicago area, plunged into the chilly Atlantic Ocean about 2 a.m. on May 15 and swam about a mile toward her house. On seeing security guards, however, he swam back — only to be arrested by local police for trespassing.

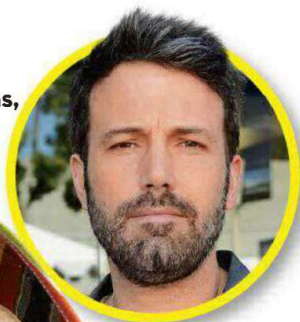

Police in Westerly, R.I. say they have "zero tolerance" for trespassers.

BEN'S GOOD CAUSE

Ben Affleck is selling shoes! It's an effort to raise funds for his Eastern Congo Initiative, which aids educational programs and survivors of violence in the African nation. Ben collaborated with Toms shoes to create a limited-edition collection of shoes made from Congolese textiles. For every pair of shoes purchased, the philanthropic partners will donate \$5 toward ECI programs, as well as pair of shoes to a child in need.

This pair of ladies' slip-ons, part of Ben's program, is available at toms.com.

BRITNEY WANTS A LITTLE GIRL!

Britney Spears already has two adorable little boys, but she wants more — a baby daughter! "Awww, I want a girl," Britney told host **Mario Lopez** during a chat on *Extra* after looking at a photo of his daughter, **Gia**, 2. The singer also revealed that sons **Sean**, 7, and **Jayden**, 6, might follow her into show business. "I think they would probably be good in the limelight," she said.

Britney also said she's in negotiations to star in a Las Vegas show.

SELENA'S DEMANDS

The show won't go on when **Selena Gomez** tours this summer unless promoters agree to her three backstage must-haves: incense, pickles and ramen noodles! "I actually have a boring rider," Selena, 20, told MTV about the contractual obligations spelled out for her 58-show, Stars Dance World Tour, which kicks off Aug. 14 in Vancouver. Selena has been working out vigorously in preparation for the tour — a first for her. "I don't ever do that!" she says.

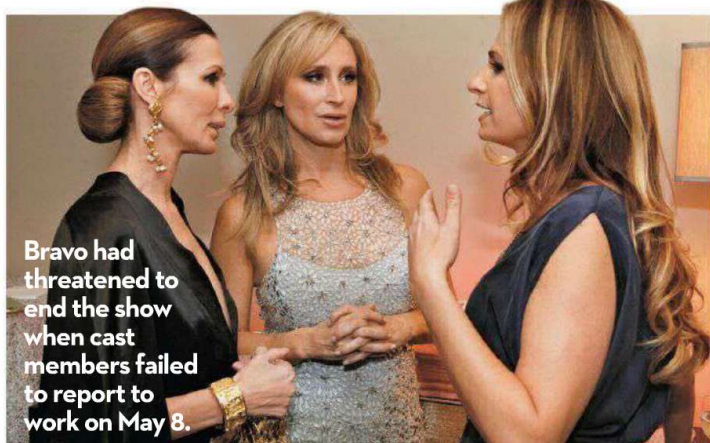

"I want it to feel so powerful and have everybody just dance and let loose," Selena says of her concerts.

NYC HOUSEWIVES GET ANOTHER SEASON

Four *Real Housewives of New York City* agreed to new contracts with the Bravo network last week, ensuring that the show will go on for a sixth season. The two sides had squabbled over salaries; one Housewife, **Carole Radziwill**, Tweeted: "Payscale is ridiculous and it irks me to be given ultimatum." Insiders say Carole, **Ramona Singer**, **Sonja Morgan** and **Heather Thomas** got a small raise and were back in the fold at press time; **LuAnn de Lesseps** and **Aviva Drescher** remained unsigned.

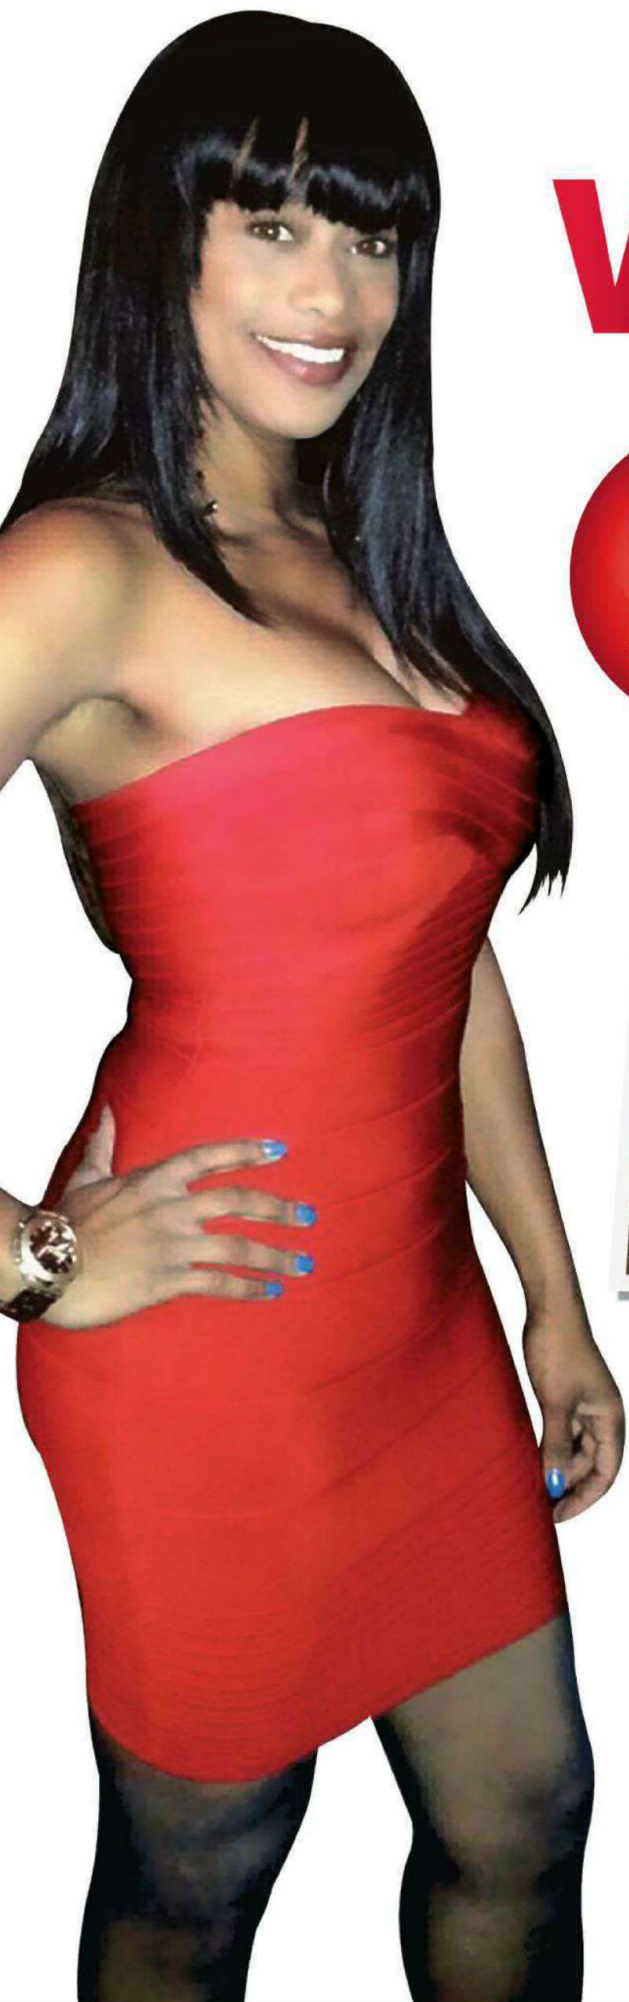

Bravo had threatened to end the show when cast members failed to report to work on May 8.

Among the art up for bid was a portrait of Leo by artist Elizabeth Peyton. It sold for \$1 million.

LEO RAISES MILLIONS

Leonardo DiCaprio helped raise \$38.8 million for environmental and conservation programs through the auction of 33 works of art at Christie's gallery in New York City on May 13. Leo, 38, solicited the art himself. He purchased a **Takashi Murakami** painting, *Mononoke*, for \$700,000; his *Great Gatsby* co-star **Tobey Maguire** bought another art piece for \$250,000. Proceeds went to Leo's foundation, which helps protect tigers in Nepal, rainforests in Sumatra, and endangered sharks.

Holly & Pasquale

WEDDING, COURT DATES

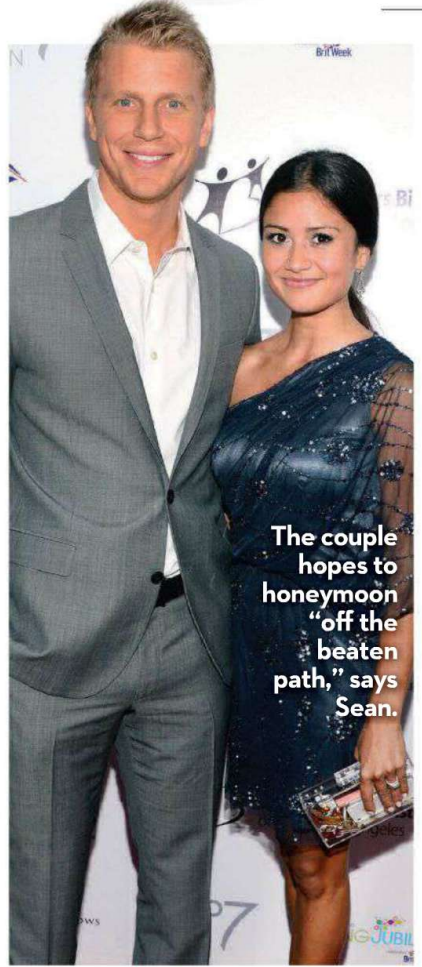

Holly Madison has set a wedding date, Aug. 14 – just two weeks after fiancé **Pasquale Rotella** is set to face bribery and other criminal charges in L.A. Clearly Holly believes Pasquale is innocent!

Pasquale, charged with bribing L.A. city officials, says he's innocent.

Sean & Catherine

WRITING VOWS

The Bachelor's **Sean Lowe** may allow a TV crew to broadcast his upcoming wedding to **Catherine Giudici**, but he's keeping one aspect all to himself: "I'm not going to let anyone write my wedding vows," Sean told *OK!* at the Beyond the Ballet charity event presented by Bright Future International in NYC. "What I want to say to her, I want it to be my own words." Does the same go for Catherine? "Yes," she told *OK!* Sean, 29, and Catherine, 27, have not set a wedding date, but Sean says he believes the event will take place "somewhere around L.A." And the honeymoon? "We're looking at all sorts of places," Sean said. "We're adventurous."

The couple hopes to honeymoon "off the beaten path," says Sean.

TWINS

for BLAKE & MIRANDA

DESPITE THE DEMANDS OF THEIR MEGA-CAREERS, COUNTRY COUPLE MIRANDA LAMBERT AND BLAKE SHELTON WILL START A FAMILY — WITH TWO BABIES

Having celebrated their second wedding anniversary May 14, country superstar **Miranda Lambert** and her *The Voice* mentor

husband **Blake Shelton** are champing at the bit to start a family — and in a big way: According to sources close to the couple, Miranda, 29, and Blake, 36, are hoping for twins.

A LIFELONG DREAM

“Miranda says she’s had her heart set on having twins ever since she was a kid,” an insider tells *OK!*. “A boy and a girl would be perfect.”

And Blake’s totally on board with the idea: “He feels the same way Miranda does.”

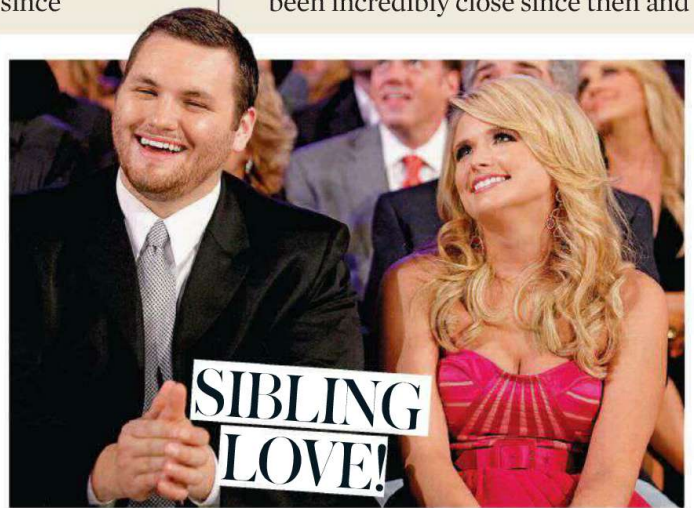

For Miranda,

the desire for twins stems from family experience. Growing up in Lindale, Texas, her family struggled through a rough patch — and even wound up homeless for a time. And yet, Miranda can still call her childhood “happy” — in large part because she had her little brother, Luke, to share it with. While not twins, they were just about as tight.

“She loves the idea of her children being absolute soul mates, which is something she and Luke have always had,” the insider tells *OK!*. “They’ve been incredibly close since then and

A source tells *OK!* that **Miranda** and her brother, **Luke**, are so close, “it’s like they can read each other’s minds.”

WILL TAYLOR EVER, EVER, EVER PLAY GODMOTHER?

Another source tells OK! that Miranda's bro, Luke, has the inside line on the godfather job. "As for godmother, Blake and Miranda hope **Taylor Swift** will be up for it. They admire her strength and wisdom. She's been a close friend of Miranda's for years and she couldn't think of anyone better."

often finish each other's sentences. Miranda wants to make sure her kids have that kind of bond, and she feels like having twins will guarantee it.

"She and Blake have so much love to give, they'd be fantastic with two babies at once. It would be perfect in their minds," adds the insider.

Miranda's also "inspired by the fact that so many people are having twins these days — **Julia Roberts, Angelina Jolie** and **Anna Paquin** — and she has her heart set on adding her name to the list, too!"

As for Blake, he knows the value of growing up with siblings, as well — especially having lost one.

"His brother, Richie, was killed in a car accident when Blake was 14," the insider says. "Now he has a great relationship with his older sister, Endy [a successful jewelry designer]. Blake's told Miranda that he'd love to see two little kids grow up together as

twins — he couldn't imagine a more unbreakable bond."

BUT CAN THEY GET TOGETHER LONG ENOUGH?

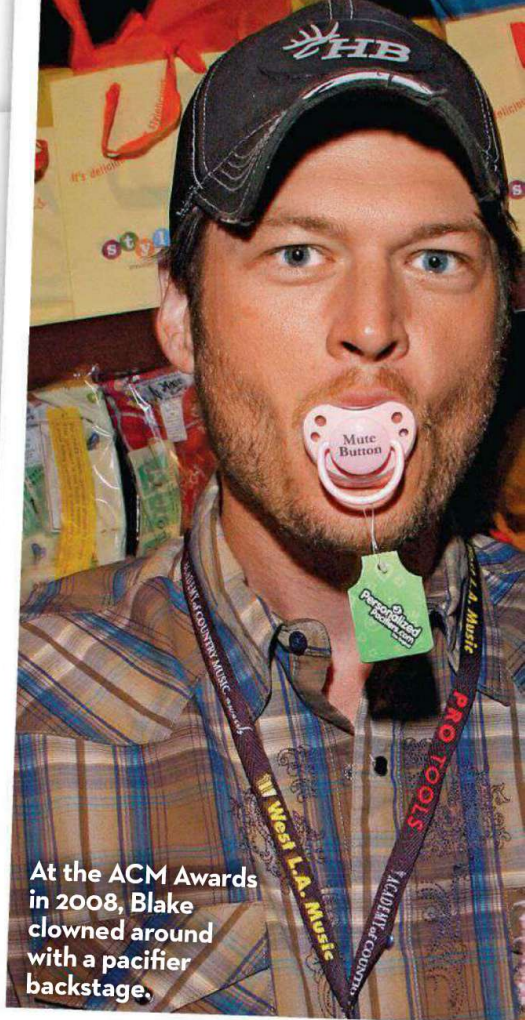

The twins talk is a sure sign Blake and Miranda have put some of their rocky times behind them — for instance, rumors of strains in the marriage over Blake's alleged cheating, a charge he has vehemently denied.

"I just don't think my fans either are buying into it or have time to give a crap," Blake said, adding of Miranda, "I just could not imagine her not being in my life, I just couldn't get over her, I know I can't."

Of course, if the couple hopes to start making babies, there are some logistical hurdles — their monster careers often involve long separations. "I don't know how many total days we've spent together since we've gotten married but it's not normal," Blake said.

In fact, he and Miranda were apart on their anniversary this year — Blake was filming *The Voice* in L.A., while his wife toured in the Southwest. The spouses exchanged love notes via Twitter. Blake: "Hey @mirandalambert... Happy Anniversary pretty baby." Miranda: "Thanks for a great 2...well 8 years!" (They've been a couple since 2005.)

This summer will bring still more

At the ACM Awards in 2008, Blake clown'd around with a pacifier backstage.

alone time, as Blake launches his own Ten Times Crazier Tour, which runs through Oct. 5. Some recent reports have suggested that the long separations had driven Miranda to drink — perhaps a little too much. According to multiple sources, however, nothing could be further from the truth.

GIFTS FOR COUNTRY KIDS

KEEP ON (TOY) TRUCKIN' After Blake and Miranda wed on a Texas ranch in May 2011, they posed for pictures on a red pickup truck. So this \$98 model from AlexandAlexa.com is a perfect gift for a boy — or tomboy.

MADE FOR WALKING

AlexandAlexa's pairs of his-and-hers Cowboy Jack cowboy boots retail at \$58 apiece.

“**BLAKE TOLD MIRANDA HE'D LOVE TO SEE TWO LITTLE KIDS GROW UP TOGETHER**”

“Miranda has the odd social drink like everyone, but she's totally cut back big time!” one source tells *OK!*. “She'll never have more than two glasses of wine with Blake in the evening when they're together, but never anything stronger. Sure, everyone knows Blake likes a drink or

two, but it's not as bad as people are making out. Neither of them would have the careers they do if they were wasted all the time!”

So how do they keep the passion alive? Blake and Miranda do their best to work around the separations.

“Not an hour goes by without some kind of contact,” the source says, “whether it be a sexy text or a random bunch of flowers arriving out of the blue. Once Miranda even had pizza sent to Blake by bike when he was stuck in traffic in his limo on the way to the studio!

“Anyone who says they're in trouble doesn't know them,” the source tells *OK!*. “They're still very much in love — and passionately so!”

Of course, Miranda can't just will her way to twins. But she is trying to jack up her odds through dieting (see sidebar). And if necessary, she and Blake are open to calling on reproductive medicine.

“There are fertility drugs that could help and she's well aware that IVF can guarantee a multiple pregnancy, but she and Blake are going to try naturally before going down that route,” adds the insider.

“She's fit, young and healthy so there's no reason why it won't happen

FERTILITY FOOD

“Miranda's eating a lot more dairy, because she read that women are five times more likely to have twins on a dairy-heavy diet,” an insider tells *OK!*. “Of course, that's a great excuse for her to eat more cheese and ice cream! She has also read that eating yams can increase the chances of having twins, so she's been having a ton.”

without any drastic medicines or procedures. Of course she and Blake will be thrilled no matter what happens, but the dream is to have twins.”

For Miranda, carrying two babies at once would bring an added perk.

“Miranda does admit that she is nervous about pregnancy and what it will do to her body,” the insider tells *OK!*. “So she's really banking on only having to do it once. She's scared but excited — and, as she likes to joke, getting a two-for-one deal would be just right!”

IT'S ON!

Jennifer Lopez is hoping the fourth time is the charm! The superstar has finally agreed to marry boyfriend **Casper Smart**. "I like it," Jennifer recently said of marriage. "I like the idea of it. I always have."

Jennifer, 43, didn't expect to find a soul mate in the choreographer, who is 18 years younger. "She calls him 'love of my life.' She believes it, she thinks he's the one she's been searching for all these years," says an insider. "He may be younger, but she says that he is the most secure man she has ever met. He constantly inspires her and lifts her up."

"It's a sweet relationship," says Jennifer. "It's kind. It's healthy."

Jennifer's longest marriage, to singer **Marc Anthony**, lasted seven years. She was previously married to **Ojani Noa** and **Cris Judd**. Today, she and Marc share custody of their twins, Emme and Max, 5 — whom Casper adores.

"Casper is devoted to her kids. He is a second father to them. Jennifer says he's much more playful and present than their own dad a lot of the time," says the insider.

Casper is also a support to Jennifer, most recently springing to her side after gunshots were fired down the beach from where she was filming her video for the song "Live It Up" in Florida on May 5. "It's been a long time since Jen has heard that sound and it reminded her how short life is," says the insider. "Jennifer knows a lot of people in her life don't approve of her marrying Casper, but she's stopped caring. She wants to be his wife."

Justin likes lingerie! In 2011, he was spotted in NYC helping Jen buy some underthings at Barneys.

JEN'S Seven WEDDING GIFT!

BRIDE-TO-BE JENNIFER ANISTON WAS THRILLED BY AN UNEXPECTED SURPRISE

What gift do you get for the bride-to-be who has everything? That's the problem that

Jennifer Aniston's friends and business associates are faced with now that her wedding to actor/screenwriter Justin Theroux is inching closer.

"She's been getting a lot of fancy champagne and high-end gift baskets," says an insider, who explains that luxury gifts have been pouring into Jen's management office ever since her engagement to Justin was announced last summer.

Among the loot was one present that really brought a smile to Jennifer's face: a box of lingerie from

former Victoria's Secret model **Miranda Kerr**, wife of **Orlando Bloom**. "It's hand-stitched, one-of-a-kind!" squeals the insider. "It's virginal white, sexy yet classy, too — and absolutely beautiful."

Jennifer hasn't shown the gift to her

husband-to-be yet, but she tried it on to show a few of her close girlfriends in a preview recently. "Everyone said she looked beautiful," says the insider. "Jen loves it so much that she's going to wear it on her wedding night!"

Jennifer was really touched by the beautiful gift from Miranda, who is starting her own lingerie line. Jen has been pals with Orlando for years — they met when he starred in 2004's *Troy* alongside her ex-husband **Brad Pitt**, but she's never been that tight with Miranda.

"Now Jen's decided to make a big push to get to know Miranda better," says the insider. "So Jen has decided to invite her over for a yoga session at her house."

Adam Levine: MOM HATES MY TATTOOS!

"The best thing that ever happened to me was realizing I didn't have to listen all the time to what everybody else said," Adam tells OK!.

THE VOICE STAR SOUNDS OFF ON MENTORING, MUSIC AND HIS MOM

Adam Levine's efforts as a coach on NBC's *The Voice* this season have the show's fans convinced he'll have the winning team when the fourth season finale airs on June 18. And he's still the lead singer of **Maroon 5**, of course. Busy Adam found time to share a few thoughts with OK!.

Does your mother like all your tattoos?

My mother hates my tattoos. I even got one that says "Mom" on it, and she still hates that one. But she loves me.

What's it like being a mentor on *The Voice*?

It's a lot of fun. I'm super into it. It's a blast!

Who was your mentor?

There was never one person. I've had a lot of great mentors. I appreciate all of them.

Were you nervous when Christina Aguilera and Cee Lo Green left, and new mentors Shakira and Usher arrived?

We were certainly curious to see what the chemistry would be when the new guy and gal came. It's very different chemistry, but we are happy it's there.

***The Voice* is at an all-time ratings high, and *American Idol* is at a low. Thoughts?**

We don't think about that.... We think about making our show the best it can be.

What have you learned about the music biz?

Try to not ever listen to your record label, and you should be all right. Do whatever the hell you want to do — or try to. Always rage against the machine a little bit.

HOW DOES SHE GET THAT GLOW? WE GOT THE SUPERMODEL'S SECRETS!

As the new face of St. Tropez sunless tanners, looking radiant is all in a day's work for **Kate Moss**. Two of her essentials might even be in your kitchen! Here's what the star had to say:

What's your best beauty advice?

If I wake up and look tired and puffy, I fill a sink with ice and cucumber and submerge my face. It tightens everything, making you feel and look instantly awake.

What are your tips for looking great on the beach?

When I am on the beach I always make sure I scrub before to get a good, even tan. I make sure I use SPFs and I always do some bum exercises and Pilates before I get there.

What inspires you?

Looking at photographic books — books about houses and gardens. Also, music. I am watching **The Rolling Stones** films, which are quite inspiring, and all of a sudden I'm finding tasseled leather jackets in my wardrobe — very **Mick Jagger**. I love old films and old movie stars. I would love to look like **Veronica Lake**.

IS PARIS THE NEW RHOBH?

KYLE RICHARDS TELLS OK! HOW SHE'D LIKE HER NIECE PARIS HILTON AS A CO-STAR

With season three of *The Real Housewives of Beverly Hills* in the can, gossip abounds over who will be the new divas on the block next season. At an event promoting the March of Dimes' Imbornto campaign, OK! caught up with **Kyle Richards** — aka **Paris Hilton's** aunt. Kyle, 44, is close to her niece, whom she calls "sweet and loving." But is reality TV pioneer Paris, 32, a good fit for *RHOBH*? Kyle offers some thoughts.

Would you like to see Paris join the cast?

I'd love it; are you kidding me? We're like sisters. I was a kid when she was born. I played with her, changed her diapers, dressed her up. She was like a living doll.

What would Paris bring to *RHOBH*?

Humor and bling! Paris is like a child in an adult's body. I think she'd bring a lot to it, actually.

Paris did reality TV first.

What advice did she offer?

When [viewers and critics] get rude, let it roll off your shoulders. You can't care what strangers think.

What about you — are you coming back?

[Laughs] Who knows?

A Life Without 'Belly Fat'

How One Woman Overcomes Tragedy and Creates the Life She's Always Wanted – By Tiffany Strobel*

Mindy DeForest's wake-up call about her weight problem was heartbreaking and profound: her sister died of colon cancer. "My sister was overweight, and I knew that being overweight myself put me more at risk for all sorts of health issues," she says. "I knew something had to change."

At 208 pounds, Mindy was the heaviest she'd ever been. Even having children hadn't caused her to gain so much weight, but the stress of caring for and eventually losing her sister, as well as being in an unhappy marriage, had caused her weight to balloon. "I'm a total stress eater," she says. "I kept turning to food for emotional reasons, and I was really putting on weight."

Like most people, Mindy had tried dieting in the past. Over the course of ten years she tried Weight Watchers, Body for Life, ephedra... pretty much everything. But unfortunately, nothing was working for her.

Mindy decided to try losing weight one more time, so she began working with a personal trainer. It didn't take long before her trainer realized that a big part of her weight-gain issues revolved around stress eating, so he recommended she try a product called Relacore®

"He told me it was a 'belly fat' pill that could help me feel less stressed, give me energy, and improve my mood," Mindy says. She admits she was pessimistic after having tried so many products that hadn't worked in the past, but says, "My trainer really believed in it, so I agreed to give it a try."

It didn't take long before Mindy was convinced of Relacore's effectiveness. "I really noticed a difference in my mood. I was in the process of getting divorced and was worried I'd suffer from depression, but Relacore made a huge difference for me. I never felt down. I stopped my 'nervous' eating. And I could really tell from my mood when I missed a day, so I knew it was doing something for me."

Before long, the inches started dropping off, and Mindy's entire life began to change. "My self-esteem went through the roof. I started getting job offers,

and I felt like for the first time in years, people were paying attention to me. When I was overweight it was like I just blended into the background, but then I started getting thin

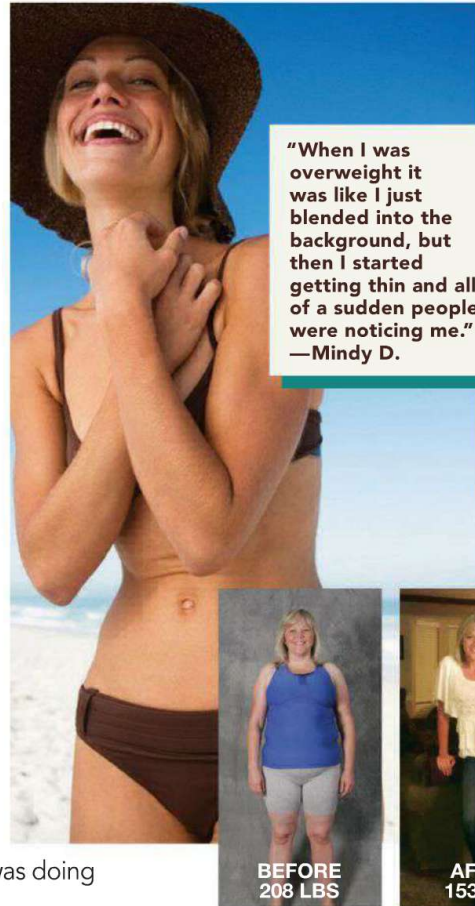

until her trainer recommended a second product: Zantrex®-3 High Energy Fat Burner. "He told me it could help me get past my plateau and start losing again," Mindy says, "and I'd had so much success with Relacore that I didn't hesitate to try it."

Mindy added Zantrex to her Relacore/diet and exercise regimen, and it gave her the extra boost she needed to blow through her plateau and start dropping even more weight.

"With help from Relacore and Zantrex, I've lost 55 pounds, and I'm still going. I haven't been this thin since my twenties. I just bought a new skirt, and when I was trying it on it felt so amazing to keep telling the store clerk to bring me a smaller size. I ended up buying a size 2. It was awesome. I couldn't believe it."

But for Mindy, the greatest accomplishment isn't being able to fit into a size 2. "It's knowing that I really had the power to change my life. When I was overweight, I was miserable. But now everyone around me can see the difference losing weight has made not just in my physical appearance, but in everything. I have energy, I'm positive, I'm outgoing. My whole outlook on life has changed. I'm just so happy."

*Tiffany Strobel is an author, columnist, and beauty editor of MyFreeDiet.com

"When I was overweight it was like I just blended into the background, but then I started getting thin and all of a sudden people were noticing me."
—Mindy D.

Heard about "Combo-Pilling"?

The highly controversial practice of Combo-Pilling is truly an underground phenomenon. Odds are, if you know someone who's losing lots of weight, and losing it fast, you probably know someone who's Combo-Pilling... like Mindy D. Why? Because it allows people to attack multiple facets of weight loss – like dropping fat, overcoming stress eating, and having enough energy to

work out – all at the same time. According to the Internet, the most popular Combo-Pilling duo is Zantrex and Relacore. You can find them both at **Wal-Mart, Walgreens, Rite-Aid, CVS, and GNC**, or order them separately from their respective manufacturers, Zantrex-3 at Zantrex3.com (1-800-538-0798) Relacore at Relacore.com (1-800-878-1534) or at TryComboPilling.com. Use the promo code **COMBOPILL6** at checkout and shipping is free!†
